Subject: Specific Plan Review Committee

Mr. David de Cordova,
I regret to inform you that I will not be able to continue my participation in the Cardiff Specific plan committee. My intentions were good to see this through, but other business concerns have left me unavailable to put in the quality time necessary for me to proceed properly. I will attend the evening meeting. I contacted another business/property owner in Cardiff, Mr. Russell De Phillips. His address is 2163 Newcastle Ave, Suite 200, Phone 760.943.7103. He would, with the committee's approval, take my place and he will also be at the meeting this evening.
