*Caltrans Begins Work on
Birmingham Drive, Sante Fe Drive, & Encinitas Boulevard
I-5 North Bound On-Ramps*

The California Department of Transportation (Caltrans) will be conducting improvements to the north-bound on-ramps of Birmingham Drive, Sante Fe Drive, and Encinitas Boulevard and Interstate 5. The project includes installation of ramp meters, resurfacing, minor widening and drainage improvements.

Construction of the improvements may cause some delays and potential temporary ramp closures. The project is anticipated to be completed in 2011.
