

Beware of Water Employee Imposters

Two men posing as water employees recently attempted to gain admittance to a customer's house by stating that they needed to test her water. **The San Dieguito Water District reminds all our customers that our employees always carry a photo ID.** Also, our trucks are white with the District logo on both sides. The District does not request to enter a home and will only enter a home at the customer's request. If you have a question regarding whether a person at your door is a District employee, please call the District at (760) 633-2709. If the person will not provide a photo ID, please contact the Encinitas Sheriff's Office immediately at (760) 966-3500.
